

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL MEMORANDUM

HB 2300 - SB 2328

March 14, 2022

SUMMARY OF BILL AS AMENDED (015146): Requires a high school student who completes an early high school graduation program to be counted as enrolled in the local education agency (LEA) from which the student graduated for the remainder of the school year for purposes of calculating the LEA's average daily membership (ADM) or full-time equivalent (FTE) ADM.

Repealed July 1, 2023, if Senate Bill 2396 / House Bill 2143 becomes law.

FISCAL IMPACT OF BILL AS AMENDED:

NOT SIGNIFICANT

Assumptions for the bill as amended:

- The basic education program (BEP) is the funding formula for Tennessee's K-12 public schools that is driven by student enrollment, as measured by ADM or FTE ADM, and generates funding across 46 components.
- Tennessee Code Annotated § 49-3-307(a)(1)(B) already requires that students who graduate early during the school year be included in the ADM for funding purposes.
- Any impact related to students graduating earlier than their scheduled graduation date will not significantly impact overall BEP funding.
- No significant impact to state or local government.
